

# Central Savannah River Area Regional Educational Service Agency

## **Mission**

CSRA RESA will provide research-based services, experiences, and practices which result in student achievement.

## **Beliefs**

We believe we positively impact student achievement.

We believe in:

- Data Driven Decisions
- Commitment
- Being Proactive vs. Reactive
- Optimal Use of Resources
- Stakeholder Engagement
- Strong and Open Communication
- Participative Leadership
- Learning Must be Differentiated
- Operating as a Professional Learning Community
- Teamwork Among All
- Accountability (Personnel and Organizational)
- Equitable Services
- Personal Touch
- Professional Competency
- Quality Assurance

## **Vision**

Our vision is for all CSRA RESA schools and systems to demonstrate continuous improvement to meet AYP and to enhance teacher/leader quality by adhering to Georgia School Standards, increasing graduation rate, improving attendance, and decreasing achievement gaps.

## **Guiding Principles**

- Working in alignment with Georgia School Standards and RESA Standards
- Operating as a professional learning community as a foundation for all interactions
- Leveraging the expertise and talent of our staff in service to our school systems
- Using accurate, current data and research-based strategies to meet system and school needs, recognizing the capacity of the RESA

## **Strategic Goals**

Student Achievement

Stakeholder Engagement
